The Board of Commissioners held a special meeting on August 29, 2016 to consider the Colon Road/Osgood water issue.

The Board instructed staff to try and locate another non-profit organization 501(c)3 to administer the funds donated (\$6,100) and proceed with placing water filters in the remaining 17 homes identified with water quality issues.

The Board held a closed session to discuss matters relating to the location or expansion of a business in the area per North Carolina General Statute 433-318.11(a) (4). No action was taken after the closed session.
